Two things clear about the church in Antioch:

It was spiritual healthy  
It was from the Holy Spirit

The focus is not numerical growth.  
The focus is godliness and spiritual substance.

They were:  
1. Worshipping  
2. Fasting  
3. Praying

All were God focused and  
flesh diminishing practices

(and substantive teaching and leadership in ch. 11)

# 1. The Holy Spirit grows healthy things.

## Hype Growth

Dear friends,

(Aug 29th, 2015)

It is good to hear from all of you. Thank God that you all are well.

Let me tell you that thank God our communities are good. We talked to the leaders of our communities and their reports is good. Thanks God nothing happened. ***Praise God that we solved the flooding problem couple of years ago in the community of El Almirante.*** It is good though that this hurricane affected our country because of the rain we are getting, it was very dry.

But I heard on the news that some families lost their belongings because of the rain. Thank God His protection

Thank you again for praying for us and our country in general.  
Have a very blessed weekend.

In Christ,  
Martires.
