

Jesus' Warning and Cure for the trap of entitled unbelief:

to what is related here and all that?

1. The first is related to the first part of the text, which is about the first part of the text.
2. The second is related to the second part of the text, which is about the second part of the text.
3. The third is related to the third part of the text, which is about the third part of the text.

THE
EYE

Jesus' Warning and Cure for the trap of entitled unbelief:

You aren't getting
anything but the
truth

Your eye must be sincere
or it will be evil

Give the inside away
and you'll be clean

1. You aren't getting anything but the truth

what is the "sign of Jonah"?

What does that mean for you?

2. Your **eye** must be **sincere**
or it will be **evil**.

The Lamp provides light (illumination) for everything
The Eye provides "light" (perception) for everything

ie: If your spiritual perception is off, you'll not only
be in blind darkness, but evil darkness.

3. Give the inside away and you'll be clean

vs 41 "...give what is inside as alms,
and Behold! all is clean for you."

So what is repentance and faith?

1. Recognizing that God is not the problem, we are. and admitting it.
2. See that the place where this all happens in in your spiritual "sight", your soul's "eye"—it must be "single" or "sincere"—no division or dishonesty.
3. You have to give over your inner world as 'alms'—given away for the good of the world and others. (rejection of spiritual greed)
