

# ENTRUSTED MAINTAINING FOCUS PART ONE

Estimated seed productivity of these items

Mustard seed	20-30
Wheat seed	10-15
Barley seed	10-15
Pea seed	10-15
Mustard seed	10-15

Estimated seed productivity of these items

1. Kingdom development is  
"disproportionately silent out-growth"

Bean/Pea

Mustard plant

## Multiplication Factor:

One seed  
100-200 seeds  
100-200 seeds  
100-200 seeds

## Mustard Plant:

One seed  
100-200 seeds  
100-200 seeds  
100-200 seeds

## Yeast

"Take thy yeast" is found in "Matthew" and "Mark" in the New Testament.

Levi 13:21  
"Take a woman that works yeast into 6 gallons of flour until it worked all through the dough."

2. Focus on your clear spiritual work,  
not the bigger questions about the end result.

"How many people will ultimately be saved?" Will it be a few or a lot?"

What was Jesus' answer to this question. If you were going to translate it?

## Does Jesus...

1. Not answer it?
2. Give both answers?

A shepherd knows God's plan, but stays focused on his work and attitude.

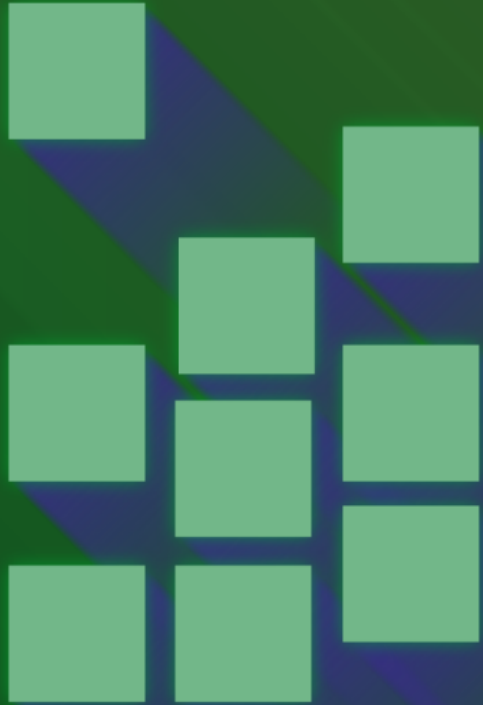

Kingdom development is "disproportionate silent out-growth"

Focus on your spiritual work, not the bigger questions about the end result.

These spiritual and work in Luke 9:1-10:10. Study these for growth in your work.

## Main point

# The Science is Clear: Why Multitasking Doesn't Work

We really can't do two things at once

SHARE [f](#) [t](#) [in](#) [p](#) [✉](#)

A steward knows God's plan,  
but **stays focused on his work and attitude.**

1. Kingdom development is  
“disproportionately silent out-growth”

## Bean/Pea

## Mustard plant

Multiplication factor:

# Multiplication factor:

## Chick Pea:

Seed 1/2 (4/8) in      x 72 in (6ft) adult plant      = 144 multiplier

## Mustard Plant:

Seed 1/8 in      x 156 in (13ft) tall      = 1248 multiplier

(and a mustard plant is **MUCH** wider.

So the multiplier could actually be 4x this amount)

# Yeast

"Active Dry Yeast" is almost all "medium" and only a tiny amount actual yeast.

Luke 13:21

"Like a woman that works yeast into 6 gallons of flour until it worked all through the dough..."

2. Focus on your clear spiritual work,  
not the bigger questions about the end result.

“How many people will ultimately be saved? Will it be a few or a lot?”

What was Jesus' answer to this question...if you were going to summarize it?

# Does Jesus...

1. Not answer it?
2. Give both answers?

A steward knows God's plan, but stays focused on his work and attitude.

Kingdom development is “disproportionate silent out-growth”

Focus on your spiritual work, not the bigger questions about the end result.

(Your spiritual work is faith that leads to godliness, 2 Peter 1:5)
